

DESIGNED WITH EVERY LEVEL OF GOLFER IN MIND, OUR FITNESS STUDIO OFFERS EVERY TOOL YOU NEED TO IMPROVE YOUR GAME.

GOLF SIMULATOR

Students have access to the 450 sq. ft., state of the art **Fullswing Golf** 180 Indoor simulator. Golfers can practice their game on the virtual driving range, or play up to 100 different courses from around the world.

DIGITAL SWING / CLUB ANALYSIS

Both swing and club analysis are available inside the golf simulator. Players can watch and track all of their club and swing statistics from every shot.

FITNESS EQUIPMENT

The Golf Fitness Studio is equipped with all of the latest equipment designed specifically for all TPI Golf Fitness programs.

YOUR BODY IS THE MOST IMPORTANT CLUB IN THE BAG

Wellness, Prevention & Performance Enhancement

STAFF BIOS

MICHAEL HAUSER, MPT, CGFI,

Michael received his Undergraduate Degree in Biology from Vanderbilt University and his Masters Degree in Physical Therapy from Nova Southeastern University. His passion for golf has led him to develop programs that treat golf related injuries to golf specific conditioning programs for both amateur and professional golfers. Michael is the only **TPI Level 2** Medical Professional on the Treasure Coast.
